

JUTTA RUSSELL

Hair & Makeup Designer

There are few makeup designers around today who have the comprehensive background of Jutta. Period to contemporary, horror to comedy, primetime drama to Y.A. shows, and major studio pictures to homegrown documentaries – she's covered it all. She's also worked on commercials for major brands such as BT, Vodafone, Hyundai and EDF, and as if that wasn't enough, she's also an accomplished wig and facial hair maker. Jutta is Austrian-born and now based in London.
